Activity Detail:

The guy's retreat is an ultimate Frisbee tournament. We will form teams based upon skill level, age, and team chemistry. There will be two different tournament brackets played on Saturday. Before lunch we will play a round robin bracket to seed the teams. During the half time of each game before lunch, there will be a devotion based upon the theme for the weekend. After lunch, we will play a single elimination bracket to determine the winner of the tournament.

Ultimate is a team sport and can be enjoyed by players of all skill levels. After the tournament is complete, we will celebrate the winners and then wrap up the weekend's spiritual emphasis with a time of encouragement.
