

Connecting Through Small Groups

A Small Group is a place for:

- sharing life and building relationships
- growing our faith
- learning what the Bible says about living today
- serving, caring and reaching out.

Small groups are continuing to connect virtually via videoconferencing apps like Zoom where they pray for each other and learn how God can speak to us through His word in a time like this. For more info or to connect with a group, click [here](#) or email Pastor Kirk at khorton@gracehome.org

Serve

Service Opportunities

Helping Hands of Grace is still serving meals to our homeless guests but instead of serving them on the GBC campus, we are taking meals to the shelter. There are several opportunities to serve over the next few months. Click [here](#) for the sign-up genius. Email Kevin DeWitt at helpinghandsgracebaptist@gmail.com, if you have specific questions about serving with Helping Hands of Grace.

As you probably have heard, **there is a critical need for people to donate blood**. This is one way that we can serve. You can find out more info on how and where [here](#).

Need Help or Able to Help? Dan Pophin is leading a team of people who have volunteered to help those who may need extra help and support at this time to get food, prescriptions, and other necessities and to avoid going out in public. If you are willing to help others in this way, contact the church or Dan Pophin at danpophin@msn.com or 703-408-9495. Also, if you need assistance in this way, please contact the church office at 703-670-5032 or call Dan to see how his team may be able to help.

Ministry in this New Season - Nancy Turner

As we are in this new season where we cannot gather as a body, God keeps leading me to pray this scripture found in 2 Chronicles 7:14-15 (ESV)

if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I

will hear from heaven, and I will forgive their sin and will heal their land. Now my eyes will be open and my ears attentive to the prayers offered in this place.

When I have felt fearful or scared, that scripture has rushed into my head and I have prayed and sought God's face.

Without all of the Children's Ministry activities on campus – Sunday School, AWANA, Wednesday night activities, Holy Week activities, Easter breakfast and paid childcare to take care of, I have been challenged to write and provide online lessons for preschoolers and elementary kids and their families. I also plan to for some of our Sunday school teachers to assist online with some lessons as well. I am excited to see how God is going to work in our lives and how we will grow during this season.

In an effort to connect us all in one place, I have created a NEW Facebook page for GBC Kids and Families. This is a closed group that will help families (with fifth graders and younger children) to connect, share and celebrate each other.

I want to connect with you and although we can't meet in person, we can still see each other using many NEW ways such as the Marco Polo App, Facebook Messenger Video chat, Google Hangouts or Zoom! You can also email me at nturner@gracehome.org, and call/text. I am here for you and your family as we navigate our new but temporary "normal".

Blessings,
Ms. Nancy

*The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you so that having all sufficiency in all things at all times, you may abound in every good work. 2 Corinthians 9:6-8
