## 10AM Indoor Traditional Worship Service - Reservations are Still Open for September 27.

We are excited to have another opportunity for worship in addition to our Outside and Online Worship Services. This will be an Indoor Traditional Worship Service in the Worship Center at 10AM.

To make sure we have enough seats for everyone, reservations are required. You can make a reservation [here](#) for you and your family for this Sunday's service. For NEXT week's service reservations, you can use the link at [www.gracehome.org/worshipindoors](http://www.gracehome.org/worshipindoors) starting on Sunday at noon. You can also call the church office 8AM - 4PM, M - F at (703) 670-5032 to make a reservation. Online reservations close Thursday at midnight each week. Our plan is to add additional services in the future as needed to accommodate all who want to attend.

Because of the Coronavirus and restrictions required by the State of Virginia, this service will be different in several ways from our normal Worship Services. The following information will let you know what to expect.

- Doors will open 15 minutes prior to the Service for seating. The Foyers will not be used for gathering/fellowship - it's best to do that outside.
- Socially distancing and socially distanced seating for families/individuals (room for about 100 people - we will add additional services if necessary to accommodate demand).
- Someone will help you find a seat once you arrive.
- Wear your mask. Worship leaders using microphones during the service may remove their masks.
- No bulletins, coffee, hymnals, or other handouts.
- The offering will be collected in boxes at the back of the Worship Center and in the North Foyer.
- The Worship Center, Foyers, and bathrooms will be cleaned and sanitized before and after the service. Only

one individual/family at a time in the bathrooms.

- There will be no Adult, Student, or Children's Classes (and no Childcare) - everyone can worship together as a family

Please call the church office or email [info@gracehome.org](mailto:info@gracehome.org) if you have questions.

## Tech Team (Worship Sound System Operation) Needs Help

The TECH Team at Grace has immediate openings for volunteers to assist with our Outdoor and Indoor services. No prior experience is needed. We will train you on our equipment. If you've ever been interested in learning to run sound or the visual aspects of our services, this is a great time to learn. Please contact Kim Rose at [krose@gracehome.org](mailto:krose@gracehome.org) or 703-300-4739 for further information.

## Prayers & Gratitude

We want to hear from you. Text "gbc1" to 94000 to receive a link to our online digital Connect Card or click [here](#) to get the card from our website and send in your prayers and gratitude. Our staff prays over each card on Monday mornings.
