Parenting In the Digital Age - February 9!

Grace is hosting a parent workshop on Fri, Feb 9, 6:30PM - 8:30PM, to equip parents as they disciple their students/children in this digital age. Our speaker, David Tucker is the founder of DigitalParenting.com. He will help raise awareness of the dangers of technology available to our students and give steps we can take to protect and guide them as they navigate the waters of technology. The cost for this event is \$10. For more info click [here](#).

Missing Something?

We have accumulated numerous lost & found items including jackets, winter accessories, books, tumblers and other misc belongings. They can be found on the table in the South Foyer this weekend and will be there until Fri, Feb 9. After this date, anything left on the table will be donated to charity.

As a reminder, items we find in the future will go to the lost & found container located in Room A107.

Helping Hands of Grace (HHoG) Sign-Up to Help!

During February, a HHoG table will be set-up in the North Foyer with information and sign-up sheets for Small Groups and individuals to volunteer to feed the homeless, drive vans, or help coordinate the moving parts of this weekly ministry. Sign-up will focus on dates for serving the homeless in **April through July, 2018** at GBC and the Hilda Barg Homeless Prevention Shelter.
