Walk for Life THIS Saturday, April 14

The WALK FOR LIFE for Care Net is going to be April 14. This year it will be a 5k RUN or a one-mile WALK. The walk is located at the Harris Pavilion in Manassas near the train station in Old Town.

There are some BIG changes in our local CareNet. They have temporarily closed the Woodbridge center, now having acquired a new and better location (Hillendale and PW Parkway) and are preparing it to have ULTRASOUND, which as you know, has been a huge goal for many years now. Since 83% of women choose to not have an abortion after seeing an ultrasound, and many of the Woodbridge clients did not go to Manassas for one, now many babies lives will be saved from certain death. It is an

exciting time to be supporting the lives of these vulnerable children.

A team from GBC will be participating this year. If you would like to walk click [here](#) to register and for specific information about the walk or contact Marcy Griffo at marcygriffo@comcast.net.
