World Changers "Here and Now"

This year Student Ministry will take students on a mission trip to Chattanooga, TN, July 15 – 21. World Changers is an organization that offers week-long mission opportunities to adults and students in cities throughout the United States and around the world. During a World Changers mission week, students and adults are divided into crews and are sent out to neighborhoods around the host city to work on various construction projects. A highlight of the week is always the opportunity for students to visit homes in the neighborhood sharing the gospel and inviting neighbors to join them for evening worship at their host church. To learn more about World Changers, click [here](#).

*Students must have completed sixth grade to be eligible to go on the trip. Email Nolan Rumble at nrumble@gracehome.org for more information or call the church office 703-670-5032. Cost: \$300. Click [here](#) to register for World Changers.
