Donate to the ACTS Hunger Prevention Center

Did you know 35% of students in Prince William County are receiving free or reduced lunches? That's almost 35,000 students. It gives us a glimpse of the needs in our county. ACTS now refers to its Food Pantry as the Hunger Prevention Center. Please continue to donate regularly, placing your donations on the wire rack in the kitchen area of Building A. ACTS always needs large disposable diapers, peanut butter, jelly, canned meats, spaghetti sauce, spaghetti, canned fruits in light syrup, canned vegetables, and cereal. Thank you for giving generously in Jesus' name.

God Working in Vacation Bible School (VBS)

God was working in Vacation Bible School (VBS). We were blessed to have our largest group of student leaders who served as the backbone of VBS. We had a prayer team who were available to pray with adults, students, and kids daily and several adults shared that prayers they had been praying were answered. The gospel was presented in all activities and we had 15 kids, some who are regular attendees and some from the community, accept Christ! We are thankful for all of the leaders that God provided and we celebrate His work during this week and look to what He will do in the future!

Pardon Our Dust

Pardon Our Dust

Parking Lot Update - Starting next week on August 7 (weather permitting) work will begin on our parking lot between Building A and the field where the volleyball courts are located, and a portion of the parking lot to the north of Building A as well. The initial part of the project will be the installation of curbs, followed by repair and resurfacing of the parking area. This section of the parking lot will probably be closed on at least the second and third weekends in August. If you have any questions, please contact Pastor Kirk or anyone who serves on the Facilities team. We look forward to completing these projects before school restarts in August.
